

2008 Junior /Amateur Jumper Athlete Development Program

Sign up by April 30th, 2008 to be included in this years exciting jumper program!

This year we are going to use your three (3) best results from a whole jumper division (not just a random jumper class) from the 7 horse show sites. (BCHJA Fall Finale, Kelowna, Maple Ridge, Milner Downs, Southlands, Thunderbird and Twin Oaks)

You may nominate your horse for one of the four levels - 1.10m / 1.20m /1.30m / 1.40m. When the committee meets to consider the final results you will not be penalized if your horse has changed heights over the course of the season. You may nominate more than one horse.

In the late fall winning horse/rider combinations will be invited to attend a jumper clinic given by a well respected professional. You will also qualify to be a member of a BCHJA sponsored team in the Prix de Nations classes at the Skyliner Tournament at Spruce Meadows in June 2009.
