

## 2010 Junior/Amateur Jumper Athlete Development Program Declaration

Sign up to be included in this year's exciting jumper program! Your three best results from a whole jumper division (not just a random jumper class) from all the BCHJA show sites will be used (BCHJA Fall Finale, Kelowna, Maple Ridge, Milner Downs, Southlands, Thunderbird and Twin Oaks). You may nominate your horse for one of the four levels: **1.10m, 1.20m, 1.30m, and 1.40m.**

The BCHJA Athlete Development Committee will meet to consider the final results. You will not be penalized if your horse has changed heights over the course of the season. You may nominate more than one horse. Winning horse/rider combinations will be invited to attend a jumper clinic by a prominent clinician.
